block the payment.

INTEREST ON SAVINGS DEPOSITS

The First National Bank of Dozier, for 47 years a symbol of safety, strength and service to the people of South Alahama, now offers you savings accounts that earn 3 percent guaranteed interest. The interest paying dates will be May 1st and November 1st. Deposits made within the first 10 days of each period will draw the full six months interest for that period.

The First National Bank of Dozier was organized in March of 1910. Located in a town of only 350 inhabitants, the bank has steadily grown to over \$1,750,000.00 in total resources. Even the great depression did not interrupt this growth.

We invite you to save with us where you get NO COST checking account service - no service charges. Open your savings account today and watch it grow-
